

ACS 'Volunteering in the Residences' Programme

COMMITMENT FORM 2017-18

ACS have devised this programme to enable students to experience environmental activities. In doing so, students will have the opportunity to learn new skills and consider afresh their role within the student community.

It is important that you understand that you are undertaking this on a voluntary basis. We are not interested in offering this opportunity to anyone who accepts it grudgingly. Please also note that your participation will not be considered towards the Sheffield Graduate Award on this occasion.

Please take time to read the terms outlined below and choose an alternative sanction if you feel that it is not the best route for you to take. Your decision will be respected.

What you can expect if you volunteer:

A clearly defined and time limited objective for the task.

Training and support from a supervisor on site.

Work as part of a team.

Materials and tools provided.

A new experience/ skill.

You are required to contact csrequests@sheffield.ac.uk to arrange a suitable time and date for your task. You must take this Commitment Form with you at that time. When your task is complete, the Team Leader will confirm by signing off the Commitment Form and they will return the form to Residence Life.

We expect that you:

- Fulfil your commitment by turning up on time and staying for the duration of the task.
- Demonstrate a willing and positive attitude throughout the task. **(Please note that, should we receive negative feedback regarding your behaviour from the task managers, your community service will be discounted and you will be asked to pay the fine mentioned in your decision letter.)**
- Dress appropriately (i.e. strong/stout shoes, warm clothes, weather proof jacket or hat).
- Take a packed lunch, if necessary.
- Enjoy it (otherwise there's no point!).

I, _____ choose to participate in the ACS Volunteering Programme for a total of one/two 3-hour session(s) to be completed by _____ under the terms outlined above.
